

Virgin Megastores scooped the Retail Week "Retail Technology Initiative of the Year award" for an online trading information system it developed with Eqos. Hailed as a "simple solution to a complex problem" that would be recognised by many retailers, Virgin accepted this award at a gala dinner in London's Grosvenor House Hotel on March 1st. Eqos Opens Office in Hong Kong

Eqos has announced the opening of its Hong Kong office. This latest investment signals the company's commitment to more fully supporting customers' sourcing operations in Asia. Eqos' global expansion comes as more retailers establish sourcing offices and strengthen relationships with agents and strategic suppliers throughout Asia. The company's Hong Kong office provides retailers and their trading partners with Mandarin, Chinese and English language support, along with support across numerous time zones and geographical regions.

Webcast -

Private Label Merchandise

This private label merchandise webcast with Retail Systems Group, KSA and Eqos' CPO, Chris Foulkes, focuses on the challenges, enablers and benefits leaders are gaining with their Private Label Merchandise programs. Retail winners are outperforming peers in gross margin improvements and using technology to enable faster response.
